

RIDER CALEESI & SARAH KREIS

TECH RIDER

- Mixer Pioneer Allen & Heath Xone 92
- 4 Pioneer CDJ 3000
- Please be sure that the CDJs are updated to the newest version.
- 2 high-quality monitor speakers (stereo), volume controlled by the artist (head height preferred), centrally positioned for the artist
- Mixer inputs must be easily accessible, no installed mixers please!
- Proper lighting in the DJ booth area

HOSPITALITY RIDER

- 2 bottles cold water (still)
- 4 bottles cold beer (lager)
- 2 bottles cold mate tea
- 2 bottles coconut water if available
- We would be super duper happy to drink Mezcal, but if not we're also happy with Hendrick's gin tonic
