BIOGRAPHY FINCA AMOUR

Mimi Love and Franca's duo Finca Amour is more than the sum of its parts; it's a movement, a vibe, and a story of sonic friendship. Acclaimed DJs in their own right, they blend personal moods to create a musical chemistry that resonates from the inside out and makes for pure Amour in the Finca. Despite being friends for decades, the Finca Amour journey only began when the Dutch crew, Alter Ego, first threw them behind the decks together. Later, at their second gig back home in Berlin, Mimi Love couldn't resist proposing – a playful invitation for Franca to join her at Fusion Festival. After Franca's "I Do", their Fusion set cemented their musical marriage and pushed Finca Amour further into the spotlight, seizing the attention of both fans and promoters alike.

With Franca's sharp edges and Mimi's dreamy finesse, their polarity makes for a magnetic connection in every Finca Amour set. Together, they are recklessly precise in weaving between the genres of indie dance, deep house, melodic techno, and soulful, funky edits. The result is a full-on journey that creates intimate, warm, and deeply felt dancefloor experiences. This is not surprising considering that Mimi Love's beginnings at Bar 25 and Franca's decade-long residency at Kater Blau have already forged deep careers for both women in the global dance scene and solidified their reputations in Europe's underground. Together and separately, they've become fixtures at top festivals and club events throughout the United States, South Africa, Asia, and Australasia while always finding time to return to their home turfs of Garbicz and Fusion Festival back in Europe.

Their sound wraps around you like a soul-soothing hug, lifting you up, strapping you in and taking you on a journey. As seasoned artists, they inject a depth and dynamism into the booth that only years of experience can provide: a perfect pairing that always unleashes Big Vibe Energy (BVE) and dirty, textured grooves. With a vision to create unforgettable moments and serious moves, they invite you to saddle up and join the ride.
